Triple rinse then offer for recycling or reconditioning or puncture and dispose of in sanitary landfill in accordance with federal state and local regulations.

General Information:

SMS Foam Marker is highly concentrated to produce thick, white, highly visible foam when used with foam marker equipment for fertilizer, seeding or plant control product spray applications. Foam Marker prevents costly spray overlaps or skips to ensure uniform spray coverage and is formulated to handle hard water and high temperature conditions. Shake well prior to use.

Directions For Use:

Fill tank one-half full with water and add Foam Marker to water. Fill remainder of tank with water by placing water hose in bottom of tank. Fill slowly. Foam generating tanks should be cleaned regularly especially if switching foam products.

Use Rate: 4 to 6 ounces per 10 gallons of water. Adjust according to desired foam thickness.

CONDITIONS OF SALE-LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES:

This product is intended for use only by turf grass professionals according to the label directions. The directions for use of this product reflect the opinion of experts based on research and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with the use of this product.
