## SPRAY TANK AND EQUIPMENT CLEANING AGENT

**WARNING: KEEP OUT OF REACH OF CHILDREN**  
For professional use only. Prior to using this product, read this entire label, conditions of sale, and additional precautionary and safety statements.

### Ingredients:

Organic amine, hydroxides, surfactants and formulation aids.....	100.0%
Total.....	100.0%

*All ingredients are exempt from the requirements of a tolerance under 40 CFR 180.*

### Precautionary Statements:

Before using this product, read the entire label, including the conditions of sale. Contact with eyes and skin may cause irritation.

**CORROSIVE.** This product contains caustic alkali which may cause severe burns to eyes and skin. Harmful or fatal if swallowed. Severity of damage or injury increases with length of contact. Avoid breathing of spray or mists. Do not get in eyes, on skin or clothing. Not recommended for use on nonferrous metals such as soft aluminum, copper and brass. The use of SMS Tank Cleaner L does not guarantee neutralization of all residues. A thorough cleaning of tank, lines and sprayer nozzle is necessary to minimize contamination.

**Personal Protective Equipment (PPE):** Applicators and handlers of this chemical must wear long sleeved shirt, protective apron, long pants, shoes and socks. Wear rubber/PVS gloves, splash-proof chemical safety goggles or full face shield.

**If Swallowed:** Dilute by drinking water. Do not induce vomiting or give anything by mouth to an unconscious person. Seek emergency medical attention. **If in Eyes:** Immediately hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Seek medical attention. **If on Skin:** Remove contaminated clothing and wash skin contact area with plenty of soap and water for at least 15 minutes. If irritation persists, seek medical attention.

**If Inhaled:** Remove to fresh air. If difficulty breathing persists, seek medical attention.

### Storage and Disposal:

Store in original container only. Protect from freezing. Do not dilute this product with water. Do not reuse empty container and dispose of in accordance with state, local and federal regulations.

### General Information:

SMS Tank Cleaner L is effective at cleaning metal, fiberglass and plastic spray systems. It assists with the removal of dirt, grime, grease, chemical and fertilizer residues from tanks and equipment. Not recommended on nonferrous metals. Tank Cleaner L helps to eliminate rust and scale and keeps equipment in ready-to-use condition.

### Directions For Use:

Clean tanks on approved site where possible to properly collect all rinsate. Thoroughly clean exterior of tank to remove dirt and chemical residue. Fill tank with clean water and add 1 quart of Tank Cleaner L per 100 gallons of water. Remove nozzles and strainers to clean separately in a bucket with 1 to 2 ounces of Tank Cleaner L to assist cleaning process. Rinse parts with clean water. Ensure agitation and carefully clean the interior of the tank using the high pressure sprayer or hose. Agitate and circulate full capacity of water for 15 minutes. Flush the cleaning solution through the boom, hoses and re-installed nozzles until tank is empty. Drain the tank, lines and pump completely. Dispose of rinsate according to product label and local, state and federal regulations. It is recommended to test final rinse solution for pesticide residue by hand spraying rinsate on delicate plants such as tomatoes, or flowers that are set aside for this purpose.

### CONDITIONS OF SALE-LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES:

This product is intended for use only by turf grass professionals according to the label directions. The directions for use of this product reflect the opinion of experts based on research and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with the use of this product. Turf injury, ineffectiveness or other unintended consequences may result, because of such factors as weather conditions, environmental conditions, presence of other materials or chemicals, or use of this product in a manner inconsistent with its labeling, all of which are beyond the control of SMS Additive Solutions, LLC or the seller. SMS Additive Solutions, LLC warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to here within, subject to inherent risks, referred to above. SMS Additive Solutions, LLC makes no other express or implied warranty. In no case shall SMS Additive Solutions, LLC or the seller be liable for consequential, special or indirect damages resulting from the use or handling of this product. The seller shall not be liable and any and all claims against the seller are waived. SMS Additive Solutions, LLC and the seller offer this product, and the buyer and user accept it. SMS Additive Solutions, LLC and the seller shall not be liable and any and all claims against the seller are waived.
