## SOIL SURFACTANT

**CAUTION: KEEP OUT OF REACH OF CHILDREN**  
For Professional use only. Prior to using this product read this entire label, conditions of sale and additional Precautionary and safety statements.

### Ingredients:

99.5% - Polyether Polyols 0.5% - Water

Not a Plant Food Ingredient.

### General Information:

SMS 700 is a proprietary blend of soil surfactants specially formulated to provide a flexible tool to combat soil hydrophobicity or LDS. SMS 700 can be applied at a variety of rates to improve wetting of the soil. SMS 700 is formulated for use by Golf Course superintendents or Professional turf applicators.

### Precautionary Statements:

Eye Contact: Immediately flush eyes for 15 minutes. Seek Medical treatment if necessary.  
Skin Contact: Remove contaminated clothing and rinse area with water.  
Inhalation: Remove to fresh air immediately.  
Ingestion: Drink water or milk quickly. Do not induce vomiting. Seek medical treatment if necessary

### Directions for Use:

Rate of Application: Apply SMS 700 at 7 fl oz (210 ml) per 1000 sq. ft. in at least 3 gallons of water. Application should be made early in the growing season. At least 1-2 irrigation cycles should be applied soon after treatment to enhance product performance. Follow up the first treatment 7-10 days later with another 7 fl oz (210 ml) per 1000 sq. ft. in at least 3 gallons of water. Additional application or applications are recommended throughout the growing season at 7 fl oz (210 ml) per 1000 sq. ft. in at least 3 gallons of water to obtain optimal performance depending upon environmental conditions.

Such factor as weather conditions and environmental conditions should be noted when choosing application times.

It is strongly recommended that SMS 700 not be mixed with any other wetting agent, pesticide or fertilizer.

### Additional Precautionary Statements:

In case of an emergency, call CHEMTREC at 1-800-424-9300  
Please consult material data sheet for more information.  
Keep out of reach of children.  
Use product only as directed.  
Avoid direct inhalation or contact with eyes or skin.

### Storage and Disposal:
